

Privacy Policy

Effective Date: June 10, 2026

This privacy policy applies to the **Sabiq** app for mobile devices, together with any related services operated by **Zaid Azam** (collectively, the "Application"). Zaid Azam is hereby referred to as the "Service Provider".

Information Collection and Use

The Application collects information when you download and use it. This information may include details such as:

- Your device's Internet Protocol (IP) address
- The pages of the Application that you visit, the time and date of your visit, and the time spent on those pages
- The total time spent on the Application
- The mobile operating system utilized by your device

Cookies and Tracking Technologies

The Application or its third-party SDKs may use cookies, SDKs, pixels, and similar technologies to support functionality, analytics, or service delivery. Where required by applicable law, the Service Provider will obtain explicit consent before utilizing non-essential tracking technologies.

Location Information

The Application collects your device's location to provide location-based features, improve the Application, and support related services.

- **Geolocation Services:** The Service Provider may use location data to provide tailored location-based features or content.
- **Analytics and Improvements:** Aggregated location data helps the Service Provider understand generic usage patterns and improve application performance.
- **Third-Party Services:** Location data may be shared with third-party services used to support Application functionality, strictly subject to this privacy policy and applicable law.

Your Rights

You may request access to, correction of, or deletion of your personal data held by the Service Provider. To exercise these rights, or to withdraw consent where processing is based on consent, please contact the Service Provider at support@sapsharks.com.

Your California Privacy Rights (CCPA/CPRA)

If you are a California resident, you have the right to know what personal information is collected, the right to request deletion of personal information, the right to opt out of the sale or sharing of personal information, and the

right to non-discrimination for exercising these rights. To exercise your CCPA/CPRA rights, contact the Service Provider at support@sapsharks.com.

The Service Provider may use the information you provide to send important updates, required notices, and, where permitted by law, marketing communications.

For a better experience while using the Application, the Service Provider may require you to provide certain personally identifiable information, including but not limited to registration attributes such as age and gender. The information the Service Provider requests will be retained and used strictly as described in this privacy policy.

| Third Party Access

Only aggregated, anonymized data is periodically transmitted to external services to aid the Service Provider in improving the Application and their service delivery. The Service Provider may share your information with third parties only in the ways described in this privacy statement.

Please note that the Application utilizes third-party services that maintain their own unique Privacy Policies regarding data handling. Below is the reference link to the external privacy policy utilized by the Application:

- [Google Play Services](#)

| Compelled and Authorized Disclosures

The Service Provider may disclose User Provided and Automatically Collected Information:

- As required by law, such as to comply with a subpoena or a similar legal process;
- When they believe in good faith that disclosure is necessary to protect their rights, protect your safety or the safety of others, investigate fraud, or respond to a legitimate government request;
- With trusted service providers who work on their behalf, do not have an independent use of the information disclosed to them, and have agreed to adhere to the protection standards set forth in this privacy statement.

| Opt-Out Rights

You can stop all collection of information by the Application easily by uninstalling it from your mobile device. You may use the standard uninstall processes available as part of your mobile device or via the mobile application marketplace or network. Please note that uninstalling prevents future data collection but does not automatically delete information already transmitted.

| Data Retention Policy

The Service Provider retains personal data based on its necessity for the stated operational purposes:

- **User Provided Data:** Retained for the duration of your use of the Application plus 12 months thereafter, unless a longer retention period is mandated by law.
- **Automatically Collected Data:** Retained for up to 24 months from collection, unless longer retention is required for legal compliance.
- **Aggregated and Anonymized Data:** Retained indefinitely as it no longer identifies any individual.

- **Legal Compliance Data:** Retained for as long as required by applicable statutory laws.

If you want the Service Provider to delete User Provided Data submitted through the Application, please contact them at support@sapsharks.com.

Children's Privacy

The Application is not intended for children under 16 years of age (or such higher age as required by applicable regional laws). The Service Provider does not knowingly solicit data from or market to children. If the Service Provider discovers that a child under 16 has provided personal information, it will be immediately purged from the servers. If you are a parent or guardian aware of such data transmission, please contact support immediately.

International Data Transfers

The Service Provider or its third-party service providers may transfer personal data to countries outside your country of residence, including outside the European Economic Area (EEA). Where applicable law requires safeguards for international transfers, the Service Provider utilizes appropriate mechanisms such as Standard Contractual Clauses (SCCs) approved by the European Commission, or adequacy decisions.

Security Safeguards

The Service Provider is deeply concerned about safeguarding the confidentiality of your information and provides robust physical, electronic, and procedural safeguards to protect all processed data.

Data Breach Notification

If a data breach occurs that affects your personal data, the Service Provider will notify you in accordance with applicable legal requirements, detailing the nature of the breach and mitigation steps undertaken.

Changes to this Policy

This Privacy Policy may be updated from time to time. The Service Provider will notify you of material changes by posting the updated Privacy Policy with a revised effective date. Where legally required, your explicit consent will be sought before material updates take effect.

Your Consent

Where processing is based on consent, you provide consent by affirmatively opting in to the relevant feature or action within the Application. You may withdraw consent at any time.
